- The buyer is responsible for all customs, taxes and duties.
- All returns are required to have an RMA Number.
- Scientific equipment purchased from Precision Measurement Engineering, Inc. (PME) may be returned to PME within 30 days of purchase. Product must be in its original packaging and brand new. NOT used, or tested for any period of time. There is a 30% re-stocking fee for any returned product. PME will evaluate the product before the 70% is refunded. Refunds may take up to 90 days. PME will not provide refunds on taxes, shipping or services. Customers must cover the cost of shipping items back to PME. PME will not accept returns on custom orders such as T-Chains, MSCTI or custom engineering.
- Custom orders are non-cancelable.
